

Summerfield Schools Transportation Request for 2024/2025 School Year

In order for Summerfield Schools to provide a safe and orderly transportation system, ALL students needing bus service for the 2024/2025 school year are required to register with the transportation department. A new form is required every year. Students living west of Saline St. will meet at Perry Park for morning pick-up. In-town students will not have afternoon transportation.

Students who are not registered with the transportation department will not be assigned a bus for the upcoming school year.
